

Position Type: Student Internship Position at FDA

Position Title: FDA/CDER Summer ORISE Internship

Employer Name: The Research Participation Program for FDA is administered by the Oak Ridge Institute for Science and Education (ORISE).

Position Location: Silver Spring, Maryland 20993

Position Description: The Food and Drug Administration (FDA), the Center for Drug Evaluation and Research (CDER) is recruiting student internship fellow for a 3-month temporary position at the White Oak facility in Silver Spring, Maryland laboratory.

Under the guidance of a mentor, the selected fellow will conduct research and testing on complex generic drugs using nuclear magnetic resonance (NMR) and other biophysics tools. This research will aim to develop validated methods to assess the identity, purity, content and higher-order structure of complex drugs in comparison to the reference listed drug. The participant will conduct analysis and experimentation in the laboratory utilizing prescribed procedures and will document and report data in a timely manner.

- Individuals MUST be security cleared prior to beginning ORISE participation, which requires a Tier 1 background check (Tier 1 checks require that an individual must have resided 36 of the past 60 months prior to the start date in the US).
- Foreign individuals (including permanent resident “green card” holders) require that a Foreign Visitor Form be completed at least 10 days in advance of their entrance to the campus for both fingerprinting and badging (check with security).
- Individuals requiring work authorization for immigration MUST provide necessary documentation of work authorization to ORISE prior to the start date.
- A Ph.D. or M.S. candidate or undergraduate student majoring in analytical chemistry, natural product chemistry, pharmaceutical science, biopharmaceutics, biochemistry or biophysics.
- Salary is commensurate with education and experience. US citizenship, green card, EAD, OPT or CPT is required. An H1 visa cannot be sponsored for this position.

Application Deadline Date: April 15, 2020
